Letter from our Head of School

Mrs Chapman

The Frinton Family Vision

'Compassion, Commitment, Ambition'

We are an inclusive and caring community of ambitious learners who show commitment to our learning, take responsibility for our actions and care about one another. We help every pupil to do their very best academically, personally, and emotionally, so they are ready for the next stage of their journey.

Dear Parents and Carers,

It has been a busy and exciting time in school, with lots of opportunities for our pupils to learn, contribute and take on new responsibilities.

We are moving over from Marvellous Me, which is no more, to Juniper. Class teachers will use Juniper to provide notices to parents and to award house points and badges. Please keep an eye out for welcoming letters, which will provide further information about getting started.

Our clubs have now started, and we are pleased to share that School Counsellors, Well-being Ambassadors, English Ambassadors and Maths Ambassadors have been appointed. We are recognising the pupils who have sought these levels of responsibility and look forward to seeing them make a positive contribution to school life.

Year 6 have been visited today by the Aviation Heritage Trust and have enjoyed an immersive day, including a flight simulator, quizzes and poetry. They have written poems which will be dropped over WW1 battlefields. What a purpose for writing! Thank you to Mrs Indge for sorting this. I know she has applied year on year for this incredibly popular experience, so how lucky our children are to have the opportunity to take part.

This, on top of the Bollywood days at the beginning of term, has given the children some wonderful immersive experiences and memorable learning opportunities.

Finally, a reminder about healthy snacks. We are seeing an increasing number of crisps and chocolate bars coming into school and would like to remind all parents that these are not healthy options. Please support your child by sending in a nutritious snack for break time.

Have a wonderful weekend!

NEWS EXTRA.....

Safer Parking around our school

Please help us keep all children, families and members of the local community safe by:

- Parking considerably and legally at all times.
- Keeping the school gates, entrances and nearby crossings clear.
- Avoiding parking on pavements, yellow lines, or in areas that restrict visibility.
- Never blocking driveways or access for residents and emergency services.
- Taking extra care when reversing and watching carefully for children and pedestrians.
- Allowing children to enter and leave vehicles safely on the pavement side where possible.
- Following any instructions given by school staff or crossing patrols.

Year 6 Parents/ Carers – Secondary School Applications

You apply for a secondary school place in Essex through the Essex Online

Admissions Service at www.essex.gov.uk/admissions, with applications opening on 12 September and closing on 31 October each year.

Healthy Snacks

As a school, we ask that you encourage your child to bring a healthy snack, and packed lunch, to school. Studies have shown that healthy foods, as opposed to sugary or salty foods, encourage children's bodies and brains to work more effectively during the school day. The body of a child who eats sugary foods at break and/or lunchtimes may suffer a sugar 'high' which, in turn, may be followed by a sugar 'low'. Please give a little extra thought when packing up your child's lunch for school and replace any sugary or salty foods with something a little healthier. Here are a few suggestions: Fresh fruit (including tomatoes, cucumber), chopped vegetables (such as carrot, pepper), bread sticks, pitta bread, cheese (and un-sugared/un-salted crackers) or yoghurts. For parents/ carers of children in , EYFS, Year 1 and 2, the Government has a free fruit and vegetable scheme which means that children in Reception, Year 1 and 2 are given a free piece of fruit or vegetable for their snack at breaktime.

Please be aware that there are some pupils with allergies and food containing nuts should be avoided.
